Dear Tennessee Consolidated Retirement System Employer:

The actuarial valuation at June 30, 2023 is complete. Attached is an actuarial valuation report that reflects your employer contribution rate for July 1, 2024 through June 30, 2025. This report reflects the minimum employer rate that must be paid.

The next actuarial valuation report will be performed at June 30, 2024 that will establish the employer rate for July 1, 2025 through June 30, 2026. TCRS follows best practices set by the accounting industry which includes annual actuarial valuations. Please note that conducting annual valuations will result in changes in employer contribution rates each year.

Please return the enclosed rate certification to TCRS no later than May 31, 2024. If you have any questions about your rate, please call RetireReadyTN at 800-922-7772.

Sincerely,

James Wayman
Director of TCRS
